

## ALL-SCHOOL REUNION .... JUNE 27 & 28 ....

### THIS WILL BE FUN!!!!!!

For those of you that have the inclination, there are several things to consider when in town for the All-School Reunion with activities running from Friday evening until Sunday at noon:

1. If you need a place to stay there are tons of hotel options in Snyder, Lamesa, Big Spring, and Post. In fact, Holiday Inn in Snyder is offering a discount if you say "I need the Coyote Discount".
2. We have RV parking in Gail!! If you want hookups the Gail Trail and Coyote Den RV Parks can provide those. Contact Anissa at 806-777-5376 to check on availability and you can find their Facebook page as The Gail Trail.
3. If you are satisfied with dry camping, set up on the open lots south of the Post Office and east of the Coyote Store all the way down to TexDot. There is NO COST!!! Contact the Coyote Store (806-756-4330) as some of the spots will have been spoken for. The store staff also will know of other places to park an RV (some with electricity and water) and a couple bed-and-breakfast type outfits.
4. Gasoline and diesel are available at the credit card pumps on Hwy 180 just west of the Coyote Store.
5. If you get into town Thursday evening or Friday morning, and need some grub, the Blue Paw does a great breakfast. It is owned by Laura Nesbit and Danielle Cone and they can be contacted at 806-756-4464 for hours of operation.
6. NOW FOR THE FUN STUFF!!! The second eating joint in Gail is the Coyote Store. It is owned by Becky (Justice) Ford. If you have been out of town for a while, the Coyote Store has grown into a bit of a phenom .... there were more than 1,100 folk (about twice our county's total population!!!) and 40+ RVs in town for several concert events during the past couple years. FRIDAY NIGHT (June 27) Becky is doing Coyote Karaoke Night & the World-Famous Fish Fry. I am sure the karaoke will be really bad .... so, feel free to pick a song to butcher and join right in 😊
7. Saturday (June 28) begins at 8 am with a pancake breakfast at the Coyote Store for those that are interested.
8. Of course, the **MAIN EVENT (registration, shooting the bull, and LUNCH) will be at the school ... home of the Mighty Coyotes ..... from 9 am to 5 pm on Saturday!!!!**
9. Then .... are you ready for this ... for Saturday night Becky is bringing in The Eagles USA Tribute Band so you can "Take It Easy" until the main act (Exile) begins. They started as a pop/rock band until they came to their senses and crossed over to country/western. You probably know them from their early pop/rock tune "I Want To Kiss You All Over" ... a song they pretty much apologize for these days 😊 The outdoor seating at The Coyote Store will be a wonderful location for classmates to gather and visit. For tickets and more information contact Becky at 806-756-4330 and check out her website at [thecoyotestore.com](http://thecoyotestore.com)
10. If you can stick around through Sunday morning, there are two churches in town that love visitors. For info on the Baptist Church contact Randy Hardman at 806-759-9472 .... and for info on the Church of Christ contact Melisa Hancock at 785-313-2032.
